

BAHAND ABDULRAHMAN

Cincinnati, OH | (513) 537-5811 | bahandab08@gmail.com | [linkedin.com/in/bahandab](https://www.linkedin.com/in/bahandab) | bahandab.com

EDUCATION

University of Cincinnati, College of Engineering and Applied Science

Cincinnati, OH | Aug 2026 - Present

- Freshman, pursuing B.S. in Biomedical Engineering

Walnut Hills High School

Cincinnati, OH | Aug 2020 - May 2026

- Activities: FTC Robotics, Programming Club, Muslim Student Association
- Completed Ohio College Credit Plus coursework at the University of Cincinnati: Engineering & Design Thinking I & II, Intro to Psychology, English Composition 1001, Financial Accounting (May 2025 - Aug 2025)

EXPERIENCE

Founder — EagleVision Microscopy (eaglevision.dev)

Feb 2025 - Present

- Solo-developed a smartphone-based microscope streaming platform making classroom lab equipment affordable for under-resourced schools
- Filed a provisional patent (USPTO App. No. 64/028,055) and piloted the platform at Madeira Elementary School
- Won Best of the Best and 1st Place, Software & Web Development at the 2026 UC IT Expo, and \$10,000 as a Samsung Solve for Tomorrow semifinalist

President — INTERalliance Chapter of Walnut Hills High School

Feb 2025 - May 2026

- Grew club membership 166% (15 to 40+ members) through public outreach initiatives, including a custom promotional display for community events
- Replaced an unorganized beginner curriculum with a self-paced Code.org game development track, capped by a judged team competition and awards ceremony
- Launched the EagleVision project out of the club (see EagleVision entry above)

Programming Lead — FTC Robotics, Team 6133 “The NUTS!”

Cincinnati, OH | May 2024 - May 2026

- Developed computer vision for the robot using neural networks, color thresholding, and OpenCV; work was adopted by other robotics teams internationally
- Designed fenders in CAD that were used on the state-competition robot; reviewed teammates' CAD designs to catch design flaws before the build stage
- Redesigned code and organized repositories; created help guides for teammates to learn GitHub and Android Studio
- Programmed autonomous and driver-controlled robot behavior in Java via Android Studio

IT Intern — Xavier University (via INTERalliance of Greater Cincinnati)

Cincinnati, OH | Jun 2025 - Aug 2025

- Ran the faculty/staff laptop exchange (~25% of systems), transferring data and imaging replacements via PXE network imaging
- Unboxed, inventoried, and deployed new lab/shared-use systems (~50% of systems)
- Recognized e-waste slated for disposal and salvaged 13 devices (12 laptops, including a unit kept for parts, plus a ~2007 Dell tablet restored with Xubuntu); imaged and provisioned them with task-specific software for the programming club and robotics team
- Wrote a Python script to automate asset-tag label printing during laptop intake

Teaching Assistant — Arduino in Robotics, Kurdistan

Erbil Governorate, Iraq | Aug 2024 - May 2025

- Taught lessons in the first online Arduino curriculum offered in Kurdistan
- Designed interactive lessons and mentored students in electronics and programming
- Led supplemental instruction sessions for assigned students, helping them debug and correct their code and hardware

Volunteer, Head of Communication — Islamic Association of Cincinnati

Ramadan 2023 - Present

- Redesigned Iftar service logistics (seating, placement, timing, serving order) for a program serving ~100 attendees nightly
- Rose from general volunteer to Head of Communication over four years, logging 250+ volunteer hours
- Served as Head of Communication for Ramadan 2025, and as door guard and announcer for Ramadan 2026

AWARDS & CERTIFICATES

Best of the Best + 1st Place, Software & Web Development — UC IT Expo

April 2026

AP Capstone Diploma — The College Board

May 2025

Computing Award (\$96,000) — Rochester Institute of Technology

April 2025

SKILLS

Computer Vision & Deep Learning | Team Leadership & Collaboration | Project Management | C++ (Arduino) and Java Programming | Robotics/Mechatronics | CAD & 3D Design | Spreadsheets & Data Analysis

LANGUAGES

English: Fluent | Kurdish: Fluent | Arabic: Reading and pronunciation instruction
